Schooner Woodwind Cruise – Wednesday, June 15

Welcome Aboard two beautiful, wooden 74-foot schooners, Woodwind and Woodwind II, for a true sailing experience in Annapolis, MD, leaving daily throughout the Summer from the Annapolis Marriott Waterfront Hotel. Each trip is unique. All cruises sail by the United States Naval Academy and then into the Chesapeake Bay and under the Chesapeake Bay Bridge. The 74-foot schooner "Woodwind" and "Woodwind II" were custom designed and built specifically for sailing on the Chesapeake Bay.

The sunset over the Annapolis skyline is breathtaking with cruises starting at 6pm. And every Wednesday, join the "Wednesday Night Race Series." Woodwind and Woodwind II will be match racing every Wednesday night that there is an AYC Race. Both boats will start on the AYC starting line at 6:45pm, and then race out to a slightly different race course, probably a little longer. During the race, passengers ("guest crew") will be able to participate in helping to sail the boat and steer the boat, when appropriate of course. This will be America's Cup style racing since it is match racing, so the competition will be very strong between the father and daughter teams who are the captains of each Woodwind.

Awards Presentation and Banquet Dinner – Thursday, July 16

Please join fellow participants, family members, friend and supporters of SailBot 2011 at the Awards Presentation and Banquet Dinner to culminate this unique event on Thursday, July 16 following the last race at 6:00pm. Located at the Fleet Reserve Club (100 Compromise Street in Annapolis), the dinner will include a buffet in the club's private dining room.

From the dock and rooftop deck overlooking "Ego Alley," you can enjoy scenic views of the City Dock, the Annapolis waterfront and in the distance the historic Maryland State House and the Naval Academy chapel.
